IN HONOR OF ANGELA GARVIN

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I, along with Representative OCASIO CORTEZ, rise to recognize Angela Garvin, who received a women's history month award from us and from Assemblywoman Aravella Simotas at a ceremony in Queens on March 22nd. Ms. Garvin, who is now 12 years old, is being celebrated for her innovative proposal to develop rain gardens as part of the renovation of Astoria Park. These gardens will improve sustainability and make good use of stormwater.

Although Angela Garvin was just 10 years old when she developed her plan, her idea attracted the attention of New York City Parks Commissioner Mitchell Silver, who decided to incorporate it into the design for Astoria Park, which is in the process of being renovated as part of the Anchor Parks initiative. Commissioner Silver said that he was "blown away by what she wrote about the importance of our future, about sustainability and how we have to do the right thing here in Astoria Park." The 60 acre park was selected to receive \$30 million of funding for major capital improvements. Ms. Garvin's rain gardens will be part of phase 1 of the renovation plan, which calls for the reconstruction of 12 acres of the park, including its track and field facilities and improvements in the surrounding area, including new seating areas, an adult fitness area, pathway realignments, bleachers and plantings. The plan includes the development of site drainage and grading improvements, including Ms. Garvin's

rain gardens to collect and treat stormwater, as well as a detention system under the synthetic turf field to reduce discharge into the East River.

Rain gardens are low-impact, sustainable landscaping that are designed to mitigate the effects of rainfall on impermeable surfaces. The gardens slow the flow of stormwater with plants that can absorb excess nutrients and filter pollutants.

Since she was very young, Ms. Garvin has wanted to improve the facilities in her community. When she heard that Astoria Park would be renovated, she became passionate about the idea of incorporating sustainability into the plans for the park. She began attending meetings with her grandmother, Mary Baker.

The oldest of three daughters, Ms. Garvin is a 4th generation native of Astoria who attended PS 122 from kindergarten to 5th grade, just as her mother, grandmother and great-grandfather did before her. She now attends The Cathedral School of St. John the Divine in Manhattan for middle school.

Madam Speaker, we ask our colleagues to join us in celebrating the creativity and vision of Angela Garvin who persuaded the Parks Department to use a sustainable design in its reimagining of Astoria Park. Her forward thinking will benefit generations of New Yorkers and can be implemented at parks around the city.

HONORING BELLA COSCETTI

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mr. CLOUD. Madam Speaker, I rise today to honor and recognize Woodsboro's Bella Coscetti, who recently set a high school national pole-vaulting record.

On January 12, 2019, this exceptionally gifted Woodsboro High School freshman set the national record by clearing 12-feet, 10-inches at the Arkansas Invitational indoor meet.
